Missing Person

Matthew B. Rudolph age 23 is missing from Medford, MA. He has not been seen or made contact with family or friends since Sunday October 29, 2017

Matthew has had some recent changes in his life that may have caused him to feel depressed. He was last seen and/or contacted via social media on Sunday October 29, 2017 in the early evening. His family and friends are very concerned for his well-being because it is unlike him to not reply to or make contact with them. Although he has recently moved into an apartment in Medford MA, he told a friend that he purchased a tent and may camp in the Middlesex Fells Reservation which is in Medford, Winchester and Stoneham area. He is also a student at UMass Boston. If anyone sees Matthew or knows of whereabouts, please call the Medford Police at 781-395-1212

Thank You for your help,
Lt. Paul F. Covino
