| <i>Arrests</i>           | <b>52</b> |

# Message from the Chief

It is with great privilege that I present you the 2022 Medford Police Department Annual Report. The Medford Police Department's Annual Report is a reflection of the work, accomplishments and operations of the members of our dedicated staff that serve the City of Medford. The men and women of this department are committed to providing quality policing to all members of our community.

As the Chief of Police, I am proud of the progress we have made in our efforts to make our city safer and more secure. Together, we have faced many challenges, but we have also achieved many great accomplishments. This report will provide you with an overview of our department's activities over the past year, including crime statistics, community engagement initiatives, and new programs and technologies that we have implemented. It will also highlight the achievements of our officers and staff, and recognize the contributions of our community partners.

We are committed to accountability and this report is one way that we fulfill that commitment. We believe that open communication with our community is essential to building trust and maintaining public safety.

I encourage you to read this report in its entirety and to share your feedback and suggestions on how we can keep improving. We value your input and look forward to continuing to work together to make Medford a safe and welcoming place for all.

We are excited to keep evolving and improving in 2023 and we thank you for your continued support.

*Jack D. Buckley*  
Jack D. Buckley | Chief of Police

# CRIME REPORTING AND SUBMISSION

The Medford Police Department submits its data to the Massachusetts State Police Reporting Unit and utilizes the National Incident-Based Report System (NIBRS) classification system. This system is utilized nationwide by the Federal Bureau of Investigation (FBI) for purposes of gathering, analyzing, and developing crime statistics as well as quantifiable data. In January 2021, the NIBRS system became the primary crime reporting system for the nation, as the prior 'Uniform Crime Report' summary reporting system was officially retired.

NIBRS is separated into two distinct groups of Part A & Part B offenses. Part A offenses are major incidents that might remain unsolved. Part B offenses are only counted if a party is arrested for the offense. Part A offenses are broken into three categories 'Crimes Against Persons', 'Crimes Against Property', and 'Crimes Against Society'. Massachusetts is a non-codified state in which some particular laws can fit different NIBRS definitions at different times. By way of example, a larceny could be 'Shoplifting', 'Embezzlement' or 'Theft from a Building.' The computerized record system for the police department makes its best recommendation for the offense based upon the Massachusetts General Law listed as having been reported.

In April 2019, the Medford Police Department hired an experienced civilian Crime Analyst. Of his many responsibilities, the crime analyst must review each police report and actively validate and check for the proper coding of NIBRS offense submissions. This comprehensive reporting system is necessary yet time consuming.

Additional data for this report was gathered through the Medford Police Department - Records Management System (RMS). This third-party software is utilized for tracking calls for service, police reports, accident reports, arrests, and citations. Data collected from this system is a cursory look at the scope of our police records. It is not meant to be an in-depth or overall examination of the data.

# *Command Staff*

**Chief of Police**

*Jack D. Buckley*

**Administrative Commander**

*Captain Barry Clemente*

# ADMINISTRATIVE SERVICES

## *Captain Barry Clemente*

The Medford Police Department Administrative Division is responsible for training, the assignment office, special projects, grants, cruisers/equipment, certifications and other support operations.

During 2022, the Medford Police Department, along with the Board of Health participated in the National Drug Takeback Day, hosting the event twice a year. Partnering with Wegmans, Medford residents were able to drop off any unwanted or expired medications at two Medford Police organized collection sites. These sites include the Medford City Hall Lot and Wegmans. These efforts collect 1000-1100lbs or medications/drugs which are brought to the DEA and then incinerated. The Medford Police Department also provides a station-based prescription drop box located in our front lobby. This box is accessible twenty-four hours a day, seven days a week.

Continuing in 2022, the Medford Police Department Administrative Division helped to oversee the continued use of Assessment Boards during promotional evaluations. Sworn officers seeking promotion and advancement are evaluated through panel interviews as well as

real life scenarios. Officers seeking promotion to the rank of Sergeant are required to participate in both an Assessment Board and Civil Service Testing while promotion to Lieutenant and Captain are based fully on assessment boards and interviews. This process had proved very successful in evaluating leadership qualities for these positions.

Since June 2021, the Medford Police Department has hired twenty new officers and we are looking to hire more. Hiring is necessary to maintain our staff and to continue to provide a high level of service to our community. The hiring process can be extensive and time consuming. After the civil service exam is corrected, eligible candidates are placed on an eligibility list. Candidates moving forward are vetted through an extensive background investigation which includes employment verification, home visits, family interviews, financial reviews, social media review, and a physical assessment. Candidates who pass this background investigation proceed to a medical review focusing on the candidate's fitness. A psychological examination follows along with several interviews with a panel put together by the Chief of Police. All of this testing must be completed before successful candidates attend a 26 week Police Academy. After graduating from the Police Academy, the new officers are welcomed into the department and participate in Field Training Officer Program (FTO). The FTO program pairs new officers to a senior officer and they work towards familiarization of our policies, procedures, rules and regulations, and gaining hands-on experience.

# ADMINISTRATIVE SERVICES

## *Captain Barry Clemente*

We are always seeking out and educating residents who would like to apply for the Civil Service Entrance Exam and become a Medford Police Officer. We always encourage and educate interested residents during our multiple outreach programs during the year.

In 2022, the Administrative Division was able to successfully apply for and receive State and Federal Grants. In 2022, we were awarded over \$335,000.00 in Support and Training grants. Our Support grant allows us to purchase items to aid our 911 Dispatch Center and our Dispatchers. Additionally, it allows for the purchase of laptops for our police cruisers and fire apparatus in order to communicate with our 911 Center, along with support for our network infrastructure. The State mandates that all dispatchers are to receive yearly training to maintain certifications needed to continue dispatching. We have utilized these grants to train officers and dispatchers in state approved courses such as Procedural Justice, Implicit Bias, ICAT De-Escalation Techniques, Stress Resiliency, Constitutional Law and Bias Free Policing.

The Administration Division continues to work closely with the Board of Health, working together to host vaccination clinics both for Covid vaccines and flu shots. Together we continue to work together to keep our Department and the public safe and informed.

The Administration Division is also greatly involved with our Community Engagement Unit. This unit involves a group of officers and our Chief who engage and reach out to the Community with monthly events which includes Holiday Toy Drives, working with Cops for Kids with Cancer, planning and attending National Night Out, partnering with Religious Leaders with Faith and Blue weekends, Senior Safety Presentations, working with our High School and it's students, giving tours of our Department, Coffee/Lunch with our Police Officers, working with Scout groups, working with our Islamic Cultural Center, Senior Citizen Holiday Dinners, and more.

# PROFESSIONAL STANDARDS

## *Captain James Benoit*

The Professional Standards Unit of the Medford Police Department is committed to providing thorough investigation and accountability during the internal affairs process. The Professional Standards Unit adheres to the beliefs and governing values of the Medford Police Department's Mission Statement. The Professional Standards Unit is committed to ensuring the members of the department provide the highest quality professional law enforcement services to our community.

The Medford Police Department continues to rely on the PM AM platform for purposes of compliance, policy and training management. PM AM is a centralized policy management, distribution and enforcement platform that allows for the automation of new and updated department issued policies, directives and training. The platform currently allows for the creating, managing, disseminating and reporting of police policies to ensure compliance and understanding.

The Professional Standards Unit expanded in 2022 to currently include one (1) Captain, one (1) Lieutenant and two (2) Patrol Officers. The increase in staffing has allowed for the development of a specialized Body Worn Camera (BWC) Unit. It is anticipated that Body Worn Cameras (BWCs) will be deployed to all Medford Police Officers during 2023, following a comprehensive training period. The Medford Police Department recognizes the importance of enhancing trust and accountability within the community, as well as with the individuals who visit, work, and travel through Medford.

Deploying Body Worn Cameras is believed to provide documentary evidence that can help defend against civil litigation and allegations of officer misconduct. It can also improve protection against false accusations of excessive use of force and racial profiling. Statistics show that BWCs reduce use of force incidents while providing greater accountability with the community we serve.

# PROFESSIONAL STANDARDS

## *Captain James Benoit*

### **Peace Officer Standards and Training (POST) Commission**

The Medford Police Department remains current and in full compliance concerning the reporting and documenting requirements of the Massachusetts Peace Officer Standards and Training (POST) Commission. The Professional Standards Unit has provided all necessary data to the POST Commission by the established deadlines. The POST Commission was established as part of the criminal justice reform enacted in Chapter 253 of the Acts of 2020 to focus on efforts to improve public safety and increase trust between members of law enforcement and the public. The POST Commission is charged with implementing a mandatory certification process for police officers, including decertification, suspension of certification, or reprimand in the event of certain police misconduct; receiving, investigating, and adjudicating officer misconduct complaints and improper use of force; and maintaining and publishing officer information, including certification status, suspensions, and disciplinary records. By establishing the POST Commission, the Commonwealth has taken an important step to improve public safety and increase trust between members of law enforcement and the communities they serve.

During 2022, officers whose last names began with the letters A through H were eligible for certification. Forty-five (45) Medford Police Officers (A-H) were recertified during the process. Additionally, seven (7) new police academy graduates were also certified. One (1) Medford Police Officer is currently classified as “Not Certified” because the officer has not been able to satisfy all of the requirements for certification due to the officer being out on excused leave, and not related to a disciplinary matter. Officers on extended leave (medical, military, family or administrative) who have not met the requirements for recertification are classified as “not certified – excused leave” by the POST Commission until they return to full duty. Current officer certification status is available on the POST website ([mass.gov](http://mass.gov)) under the “View Law Enforcement Officer Information” section.

### **Filing a Citizen’s Complaint**

To file a citizen complaint, there are several options available. You can visit the Medford Police Department at 100 Main Street, Medford, MA, and speak with the Shift Commander/Commanding Officer in person. Alternatively, you can file a complaint by calling 781-395-1212 or visiting [medfordpolice.com](http://medfordpolice.com). On the website, go to the INFO REQUEST/FORMS Menu and select the "Citizen Complaint Form." You can file a complaint at any time, day or night, without the need for an appointment. A supervisor from the Professional Standards Unit at the Medford Police Department will contact you to obtain additional information about your complaint.

# OPERATIONS COMMAND

## *Captain Paul Covino*

I am Captain Paul F. Covino, the new Operations Commander. I was appointed as a Medford Police Officer on May 4, 1986. After graduating from the Police Academy in July of 1986, I worked in the Patrol Division on the nights shift for 13 years as a patrol officer. I was promoted to Sergeant in July 1999 and worked as a night patrol supervisor from 1999 until 2003. I was promoted to Lieutenant in July of 2003 and was put in charge of the Community Services Unit until 2011. In 2011 I was moved to the Detective Unit where I was in command of the Drug Control Unit and the general detectives that worked nights.

In 2019, Chief Jack Buckley consolidated the Patrol Division with the Detective Division at which time he put Captain Kevin Faller of the Detective Division in charge of the newly formed Operations Division. As the Operations Commander, Captain Faller managed the Detective Division, the Patrol Division, the Traffic Division and the Dispatch Division. I was moved to the Detective Lieutenant position on day shift, and I managed the day to day operations of the Detective Division.

On October 6, 2022, I was promoted to the rank of Captain at which time I was put in charge of the Professional Standards Division. On December 1, 2022, Captain Kevin Faller accepted the job as Chief of Police for the City of Melrose. In January of 2023, Chief Buckley assigned me as the Commander of Operations where I am responsible for managing the Patrol Division, the Detective Division, the Traffic Division, and the Dispatch Division. The Operations Division consists of approximately 85 sworn and civilian employees.

The Traffic Division officers work day and evening shifts. The officers of the Traffic Division predominantly respond to crashes to render aid and investigate to determine if there were any traffic violations involved in the crash. These officers also respond to the many parking complaints in our city. The Traffic Division is also able to do a complete crash reconstruction in a case where there is a death. The Patrol Division officers also do all that the Traffic Division does with the exception crash reconstruction. But, having the Traffic Division available during the busy hours of the day and evening shifts enables the Patrol Division officers to focus more on development of community relations by being more thorough at the call for service and emergency 911 response.

The Patrol Division and the Dispatch division are both a 24/7 operation. When a person calls for the police or any emergency service, that call is answered by a dispatcher who then notifies the police, fire, and ambulance for what ever response is needed. Our dispatchers are civilian personnel that are specially trained to take a call for help, inquire about extra information that may be needed by the responding emergency personnel, dispatch necessary services, calm the caller down so that caller could be more helpful, and document all this in the CAD system. Being able to remain calm and multi-task are important abilities for dispatching.

# OPERATIONS COMMAND

*Captain Paul Covino*

*Night Shift Patrol Division*

*Department Members at Senior Center Holiday Dinner*

*Dispatchers Salvi, Tarentino, Daleilo and Giordano*

When you call the police for help, it is usually an officer from the Patrol Division who responds. It is that officer's responsibility to determine what the situation at hand is and try to rectify that problem. Our officers are professionals and they treat everyone respectfully. Our officers know that they are here to help people. These officers are often faced with very tumultuous situations that they manage professionally. It is the responding officer's responsibility to take a report and begin the preliminary investigation when they respond to a criminal matter. If the patrol officer does not have the means to follow up on an investigation then the Detective Division will continue the follow up investigation.

The detectives not only follow up on cases that were started by an officer in the patrol division, but they will also assist a patrol officer in a case in which that officer wants to see through to completion. Some Cases like sexual assaults, Domestic abuse, robberies, serious assaults, and many other types of crimes right up to murder require a detective or sometimes many detectives to investigate them and solve them. Because of modern technology, our detectives solve many crimes that would not have been followed up on ten years ago. Many crimes are quickly solved because of the prevalence of video cameras in society today. But, most crimes are solved by the hard work and dedication of all the officers and civilians that work together as a team at the Medford Police Department. This team work also is the reason for the successful outcomes in the many 911 calls and calls for service that the Medford Police Department responds to. It is my honor to work with the various women and men of the Medford Police Department.

# TRAFFIC DIVISION

The Medford Police Traffic Division consists of 2 Sergeants and 4 traffic officers. The duties of the Traffic Division range from investigating motor vehicle crashes, parking problems, and overall traffic safety and enforcement. This takes a great burden off the Field Service Division who also investigate those types of situations, as well as the many more 911 calls and calls for service in the course of their tour of duty. By utilizing a traffic division, the Medford Police Field Service officers are able to spend a little more time at a call to assist citizens in need. The Traffic Division has recently activated some new technology to assist with writing parking violations.

The new system (GTechna) that was implemented for the parking tickets is now being run through portable cellphones and printers. This system was implemented to work in conjunction with the City of Medford Parking Department, so we are all on the same system. It also comes with multiple features such as the camera setting to take pictures of any violations that store directly to the system. This system has the ability to scan the license plate via the cell phone camera and sync with the Registry of Motor Vehicles. Then it will populate all Registry information for that vehicle.

This system was implemented at the end of 2022. GTechna is also used by the Field Service Division officers during their normal tour of duty as well as the Traffic Division officers. Officers have given a positive response on the use of this system. They believe it is more efficient and less time consuming than the paper tickets. As well as responding to the need to conduct parking enforcement, the Traffic division spends much time conducting traffic safety enforcement. The Traffic officers focus on trouble spots that consist of anything from speeding, stop sign violations, one-way violations, and any other types of traffic violations. The Traffic Division also covers any open traffic supervisor position throughout the school year. Traffic supervisors are those individuals who see that school age children are able to cross the streets safely while in route to and from school. The Medford Police Traffic division is constantly trying to find new and innovative ways to keep traffic safety a priority in Medford.

# TRAFFIC DIVISION (CONT.)

## *MRS Grant Awarded for 2022*

The Medford Police applied for and received a grant called the Municipal Road Safety grant which was awarded through the MA Executive Office of Public Safety (EOPS). We were awarded just under \$65,000.00 on behalf of the City of Medford.

This grant is a three-part grant. The three parts are (1) enhance traffic safety enforcement and equipment to assist in traffic safety enforcement, (2) pedestrian and bicyclist safety enforcement along with safety items, (3) and non-enforcement safety activities.

As a result of the Municipal Road Safety Grant, the Medford Police Traffic Division was able to purchase 3 speed radar signs and 1 speed radar alert sign which enables us to post messages on this as well. The total cost of the radar signs and the alert sign is approximately \$20,000.00. Then there is the ability to spend up to \$45,000.00 in overtime funds for actual enforcement of various traffic laws for the duration of this grant. These special traffic assignments are in addition to the normal staffing per shift. During the month of December of 2022, the Medford Police deployed several traffic enforcement overtime units to enforce basic traffic safety laws such as speeding, red light violation, one-way violation, crosswalk violations and any other violation that was detected by the officers working that special traffic enforcement assignment. We anticipate the special traffic enforcement assignments will restart in the spring when it is more feasible to enforce traffic safety.

The traffic safety enforcement portion also has specific times of the year when we will focus on such enforcement as pedestrian safety and bicyclist safety. We will also focus on impaired operation from operating under the influence to not using hands free electronic devices. Some of the non-enforcement activities may come in the form of events such as a “Bike Safety Rodeo” for children, or public safety announcements on social media. The Medford Police along with other city departments and businesses from Medford set up bicycle courses and other fun events for children to learn about bike safety. This would be a good opportunity to distribute some of the 125 child bike helmets that we purchase with this grant money. The Medford Police Traffic Division is constantly trying to keep Medford a safe place to walk, ride a bike, and drive a motor vehicle. The Medford Police Traffic division plans on re-applying for the Municipal Road Safety grant each year that it is offered to be more innovative in traffic safety.

Moving forward, we have also applied for grant money that Encore Casino has awarded to the City of Medford. The money from Encore would be used to purchase more messaging radar units. These units are capable of showing a vehicle’s speed as well as posting messages to the public. If we get enough units to post on most major arteries, we can get a better idea where most speeding vehicles travel. This would enable the Medford Police to focus on the more specific speeding trouble spots to make the city safer. We look forward to working with the public to keep Medford safe.

# OFFICER WELLNESS PROGRAM

The Wellness Program was an initiative set in motion by Chief Buckley with the physical and mental health of officers in mind. The goal of this program is to better the overall well-being of officers through physical fitness and stress management. Studies have suggested that there is a direct correlation between them. Chief Buckley selected Sergeant Greg Gianino and Officer Rikki Raymond to develop and run the Medford Police Department Wellness Program. Both officers earned certification from MPTC (Massachusetts Police Training Council) as Health and Wellness Officers. With that in mind, their job as Wellness Officers is to ensure we have an atmosphere and opportunity for officers to achieve that goal.

The Medford Police Department is fortunate enough to have an area in the new police station to house a new police fitness center. The first step was to set up this space with the proper equipment that was safe and easy for everyone to use. Part of the development of the wellness program hinged on allowing officers to take time on shift to utilize the fitness center. Research discovered that some surrounding departments have had a wellness program in effect already. With this information we came to an agreement that officers will be allowed to utilize a wellness break. Officers who request a wellness break will be put out of service for forty-five minutes to exercise at the station then shower, dress and prepare to return to patrol. The allowance of the wellness break also depends on factors such as staffing and how busy that particular shift may be. Public safety always comes first.

As certified Health and Wellness Officers, Sergeant Gianino and Officer Raymond are able to lend training tips and/or workout plans for officers in need of guidance to achieve specific health goals, whether those goals are weight loss, strengthening, conditioning, or flexibility training. The team has designed a variety of structured workout circuits tailored for all officers and have posted them in the fitness center for everyone to try. They have had brief informal sessions with individuals who have had questions about workouts to avoid doing, and what to do to get started with new workouts. The wellness program has run weight loss challenges that have spanned for months at a time with positive results.

# OFFICER WELLNESS PROGRAM

The team is currently in the beginning stages of a fitness challenge that has approximately thirty members actively involved. During this fitness challenge they have assessed fitness levels of all involved, and they will monitor improvement with test every sixty days. They will also be posting workouts that will challenge the participants against themselves and each other. This past summer they partnered with the Community Engagement Unit and put together a kid friendly obstacle course during National Night Out hosted by the Medford Police Department at Hormel Stadium.

*Sergeant Greg Gianino and Officer Kevin Braxton at National Night Out assisting with obstacle course made by Sergeant Gianino*

Another area that the wellness program has assisted in is the assessment and preparation of new/potential recruits. Prior to entering a Police Academy, potential recruits are expected to achieve a level of fitness based on set standards of the police academies. The job of the Health and Wellness Officers is to coordinate a session with potential employees to assess their physical abilities. If they are not achieving the requirements needed to enter the police academy, we assist them and come up with a training regimen specific to the areas they were having difficulty. The Health and Wellness Officers monitor their progress individually and hold group workouts prior to academy acceptance. Moving forward, our plan is to continue with recruit assessment and physical fitness readiness. We will continue to run more physical fitness challenges and weight loss challenges with hopes of challenging other groups in the city in an attempt to improve community relations. We also plan to have guest speakers come in and inform us about topics like nutrition, stretching, injury prevention, and recovery. Placing a priority on officer health and wellness is crucial to keep officers healthy and safe from recruitment to retirement.

# BEYOND THE BADGE

## Medford Police Department Veterans of the Armed Forces of the United States of America

*The Medford Police Department has a long and proud history of officers and civilian employees who have served in the Armed Forces of the United States. That same service these officers gave to our country transitioned into a spirit of service in civilian life as a police officer for the City of Medford. The Medford Police Department is proud of its veteran employees and the sacrifices they have made for our nation. Please see below a short description of our officers' military service.*

**Officer Michael Bordonaro (US Army)** – PTL Bordonaro served eight years in the United States Army from 2010–2018, holding the rank of Specialist. PTL Bordonaro was a Combat Engineer and Heavy Equipment Operator. He was assigned to the 182nd Sapper Company out of Newburyport, MA, and the 379th Engineer Company out of Buzzards Bay, MA. PTL Bordonaro was deployed to FOB Shank in Bagram, Afghanistan, in support of Operation Enduring Freedom in 2014. PTL Bordonaro is a recipient of the Afghanistan Campaign Medal.

**Officer Daniel Brogan (US Navy)** – PTL Brogan served four years in the United States Navy from 2014–2018 as a machinist mate, holding the rank of Petty Officer 3rd Class. During his time in the Navy, PTL Brogan was assigned to the aircraft carrier U.S.S. Nimitz, M Division out of Seattle, Washington. While assigned to the U.S.S. Nimitz, PTL Brogan sailed the Persian Gulf, porting in India and Dubai. PTL Brogan is a recipient of two Naval Achievement Medals, the National Defense Service Medal and the Navy Good Conduct Medal.

Officer Michael Bordonaro, US Army

**Lieutenant Carl Brooks (US Navy)** – LT Brooks served four years in the United States Navy from 1989–1992 as an Electronic Warfare Technician, holding the rank of Petty Officer 3rd Class. While in the Navy, LT Brooks was assigned to the U.S.S. Belknap out of Gaeta, Italy, and the U.S.S. John F. Kennedy out of Norfolk, Virginia. LT Brooks served in support of Operation Desert Storm and Desert Shield. While abroad, LT Brooks has sailed all over Europe, to North Africa, the Black Sea, Crimea, Bulgaria, and Romania. Interesting note – while assigned to the U.S.S. Belknap, LT Brooks was present during the Malta Summit in 1989 between U.S. President George H.W. Bush and then Soviet General Secretary Mikhail Gorbachev. LT Brooks is a recipient of the National Defense Service Medal.

**Officer Guy Champa (US Army)** – PTL Champa served fifteen years in the United States Army from 1980–1995 as an explosive ordnance disposal and ammunition specialist, holding the rank of Staff Sergeant. While in the Army, PTL Champa was stationed at Fort Bragg, North Carolina, with the 82nd Airborne Division and the 160th Special Operations Aviation Regiment out of Fort Campbell, Kentucky. He has also been stationed at Fort Polk, Louisiana, and spent two years in Germany. PTL Champa has deployed in support of numerous missions, including Operation Urgent Fury, as part of the invasion of Grenada; Operation Just Cause, as part of the invasion of Panama; and Operation Desert Shield, where he helped train soldiers deploying to the Middle East in support of Operation Desert Storm. PTL Champa is the recipient of four Army Commendation Medals, four Army Achievement Medals, and three Good Conduct Medals. PTL Champa was also Airborne, and Air Assault qualified.

**Officer Darrin Connolly (US Army)** – PTL Connolly served ten years in the United States Army Reserve from 1990–2000, attached to the 94th Military Police Company out of Manchester, NH. PTL Connolly served in the Army as a Cavalry Scout and a Military Police Officer. PTL Connolly is a recipient of the National Defense Service Medal.

**Sergeant Christopher Covino (US Navy)** – SGT Covino served eight years in the United States Navy from 2013–2021 as a Navy Corpsman, holding the rank of Hospital Corpsman, 2nd Class. While in the Navy, SGT Covino was assigned to the 1st Battalion, 25th Marine Infantry Regiment. During his service, SGT Covino was deployed to Japan and Korea in 2019 for a year as part of the Global War on Terrorism. While in Asia, SGT Covino trained Japanese and Korean forces, and his unit doubled as a quick-reaction force in the region. SGT Covino was named Sailor of the Year and is a recipient of the National Defense Service Medal, Good Conduct Medal, Navy Achievement Medal, and the Global War on Terrorism – Expeditionary Medal. He was also awarded the Marine Corps Unit Commendation Medal.

**Officer Lawrence Crowley (USMC)** – PTL Crowley served nine years in the United States Marine Corps from 1985–1994 as a nuclear, biological, and chemical defense specialist, holding the rank of Sergeant. During his time in the Marines, PTL Crowley was assigned to the 24th Marine Air Group, the 3rd Light Armored Vehicle Battalion, the 3rd Recon Battalion, and the 3rd Marine Regiment. His assignments took him globally, stationed in Okinawa, Japan, California, and Hawaii. PTL Crowley is a recipient of the National Defense Service Medal.

Sergeant Christopher Covino, US Navy

Top: Lieutenant Michael Fahey, US Army

Bottom: Sergeant Barbara DeCristofaro, US Army

**Sergeant Barbara DeCristofaro (US Army)** – SGT Decristofaro served twelve years in the United States Army from 1984-1996 as a Military Police Officer, holding the rank of Staff Sergeant. During her time in the Army, SGT Decristofaro was assigned to the 1001st Civil Preparedness Support Detachment out of Maynard, MA and the 94th Military Police Company out of Manchester, NH. SGT Decristofaro was activated for two weeks for a humanitarian effort to Guatemala as part of her commitment. SGT Decristofaro is a recipient of the Army Service Ribbon.

**Sergeant Edward Durham (US Army)** – SGT Durham served six years in the United States Army from 1981-1986, where he was a combat medic. SGT Durham was assigned to the 26th Yankee Division and is a recipient of the Army Service Ribbon.

**Officer Eric Ehlert (USMC)** – PTL Ehlert served six years in the United States Marine Corps from 2012-2018, holding the rank of Sergeant. He was assigned to the 1st Battalion, 25th Marines as a Field Radio Operator. PTL Ehlert was deployed to Africa as part of Training Exercise African Lion and is a recipient of the Navy Achievement Medal.

**Officer Justin Ehrhardt (US Army)** – PTL Ehrhardt served six years in the United States Army from 2017-2023 as a forward observer, holding the rank of Sergeant. PTL Ehrhardt was assigned to the 101st Field Artillery Regiment and was deployed to Saudi Arabia and Kuwait in 2021. During his tour overseas, PTL Ehrhardt was relocated to Afghanistan as part of a mission to evacuate remaining U.S. forces and personnel in its last days. After Afghanistan, PTL Ehrhardt served in Syria as part of Operation Inherent Resolve. PTL Ehrhardt is a recipient of the National Defense Service Medal, the Afghanistan Campaign Medal, Army Commendation Medal, and the Army Achievement Medal.

**Officer Brian Enos (US Navy)** – PTL Enos served four years in the United States Navy from 2009-2013, holding the rank of Petty Officer, 2nd Class. PTL Enos was assigned as a Sonar Technician – Surface on the Naval Destroyer U.S.S. Spruance in San Diego, CA. PTL Enos sailed from Maine to California, the Panama Canal, Columbia, and Canada during his service. PTL Enos is a recipient of the National Defense Service Medal and the Navy Good Conduct Medal.

**Lieutenant Michael Fahey (US Army)** – LT Fahey served six years in the United States Army from 1980-1986, holding the rank of Corporal. LT Fahey was assigned as a Military Police Officer with the 972nd Military Police Company. During his service, LT Fahey was activated in anticipation of a state workers' strike in 1983. LT Fahey is a recipient of the Army Service Ribbon.

**Sergeant Marc Gigante (US Air Force)** – SGT Gigante served four years in the United States Air Force from 1990–1994, holding the rank of Senior Airman. SGT Gigante’s specialty was Combat Arms and Training and Maintenance. He was assigned to the 363rd Security Police Squadron out of Shaw Air Force Base in South Carolina. SGT Gigante has conducted joint training exercises in Fort Polk, Fort Dix, and Fort Nellis. Interesting note – SGT Gigante and PTL Pellegrino trained together in a joint training exercise during their service!

**Officer James Grubb (US Army)** – PTL Grubb served six years in the United States Army from 2009–2015 as a Military Police Officer with the 972nd Military Police Company out of Reading, MA, holding the rank of Specialist. From 2012–2013, PTL Grubb was deployed to Camp As Sayliyah in Doha, Qatar, in support of Operation Enduring Freedom. While deployed, PTL Grubb conducted protective services detail for the U.S. Army Central and Third Army Commander General Vincent Books and protective detail for numerous Department of Defense and CENTCOM officials. PTL Grubb is a recipient of the Global War on Terrorism–Expeditionary, Army Commendation, and Achievement Medals.

Left: Lieutenant Charles Hartnett, US Army  
 Right: Officer James Grubb, US Army

**Lieutenant Charles Hartnett (US Army)** – Serving with the 972nd Military Police Company from 2001–2009, LT Hartnett served as a Military Police Sergeant Team Leader who deployed overseas in support of both Operation Enduring Freedom (Uzbekistan/Pakistan) in 2002 and Operation Iraqi Freedom (Baghdad, Iraq) in 2007. While in Baghdad, LT Hartnett and PTL Jones were convoy security for the then Speaker of the House of Representatives for Iraq (SCOR) Mahmoud Mashhadani. In addition to these tours, LT Hartnett was also deployed to New Orleans, LA, in the wake of Hurricane Katrina for disaster relief and police operations. Interesting note – LT Hartnett was deployed with PTL Ottaviano, PTL Jones, and PTL Luongo for Operations Enduring Freedom and Iraqi Freedom! LT Hartnett also deployed with PTL Jones to New Orleans after Hurricane Katrina. LT Hartnett is a recipient of the Iraqi Campaign, Army Commendation, Army Achievement, and Humanitarian Service Medal. LT Hartnett is also Air Assault qualified.

**Sergeant Shawn Hughes (USMC)** – SGT Hughes served six years in the United States Marine Corps from 1989–1995, holding the rank of Corporal. During his time in the USMC, SGT Hughes was deployed overseas in support of Operation Desert Storm in Riyadh into Iraq. SGT Hughes is a recipient of the Combat Action Ribbon. Interestingly, SGT Hughes and PTL Ricciardi served in the same unit when deployed to Operation Desert Storm in Iraq.

**Officer Richard Iozza (US Navy/USAF)** – PTL Iozza served eight years in the Armed Forces of the United States, beginning his career as a Seaman in the United States Navy from 1990–1992, where he was an Aviation Machinist Mate assigned to the Weymouth Naval Air Station in Massachusetts. From 1992–1998, PTL Iozza switched branches to the United States Air Force, where he was a Senior Airman assigned to the 102nd Airwing out of Otis Air Force Base in Cape Cod. PTL Iozza served as an ordinance specialist in the Air Force. PTL Iozza is a recipient of the National Defense Service Medal and was awarded a unit citation.

**Officer Matt Jones (US Army)** – Serving with the 972nd Military Police Company out of Reading, MA, PTL Jones served as a Military Police Sergeant Team Leader and was deployed overseas in support of both Operation Enduring Freedom (Uzbekistan/Pakistan) in 2002 and Operation Iraqi Freedom (Baghdad, Iraq) in 2007. While in Baghdad, PTL Jones and LT Hartnett were convoy security for the then Speaker of the House of Representatives for Iraq (SCOR) Mahmoud Mashhadani. He was also deployed to Logan Airport in support of Operation Noble Eagle after the 9/11 attacks in 2001. In addition to these tours, PTL Jones was also deployed to New Orleans, LA, in the wake of Hurricane Katrina for disaster relief and police operations. Interestingly, PTL Jones was deployed with PTL Ottaviano, PTL Luongo, and LT Hartnett for Operations Enduring Freedom and Iraqi Freedom! PTL Jones also deployed to New Orleans after Hurricane Katrina with LT Hartnett. PTL Jones is a recipient of the Iraqi Campaign, Army Commendation, Army Achievement, and Humanitarian Service Medal.

**Lieutenant Rory Lockowitz (US Navy)** – LT Lockowitz proudly served the United States Navy as a Seaman assigned to the U.S.S. Constitution at the Charlestown Navy Yard, providing service and tours for America’s oldest commissioned and active Naval warship. LT Lockowitz served from 1995–1998, took part in the Constitution’s bicentennial, and was a crew member that sailed the ship in 1997.

Officer Roberto Luongo & Officer Matt Jones, US Army

**Officer Roberto Luongo (US Army)** – Serving with the 972nd Military Police Company from 1996–2004, PTL Luongo held the rank of Specialist and served as a Military Police Officer. He deployed overseas in support of Operation Enduring Freedom (Uzbekistan/Pakistan) in 2002, where he conducted flight line and area security operations. In addition, PTL Luongo was deployed to Logan Airport in support of Operation Noble Eagle in the wake of the 9/11 attacks in 2001. Interesting note – PTL Luongo was deployed with PTL Ottaviano, PTL Jones, and LT Hartnett for Operation Enduring Freedom! PTL Luongo is a recipient of the National Defense Service Medal and the Global War on Terrorism – Expeditionary Medal.

**Officer Brandon Mean (USMC)** – PTL Mean served four years in the United States Marine Corps from 1997–2001 as a Machine Gunner attached to 36 K Company, 3rd Battalion, 6th Marines. PTL Mean was deployed to Guantanamo Bay, Cuba, and the Mediterranean area during his service with the Marine Expeditionary Unit.

**Officer David Ottaviano (US Army)** – With 12 years of service in the 972nd Military Police Company and the 42nd Military Police Company, PTL Ottaviano served as a Military Police Staff Sergeant Squad Leader and was deployed overseas in support of Operation Joint Forge (Bosnia) in 2001, Operation Enduring Freedom (Uzbekistan/Pakistan) in 2002 and Operation Iraqi Freedom (Tikrit, Iraq–2004 and Baghdad, Iraq–2007). Officer Ottaviano is a recipient of the **Bronze Star Medal** for service in Iraq. Interesting note – PTL Ottaviano was deployed with PTL Luongo, PTL Jones, and LT Hartnett for Operations Enduring Freedom and Iraqi Freedom!

Officer David Ottaviano was awarded the Bronze Star Medal

**Officer Michael Pellegrino (US Army)** – PTL Mike Pellegrino served four years in the United States Army from 1992–1995 as an infantry and mechanized infantry soldier. During PTL Pellegrino’s service, he was assigned to the 7th Infantry Division out of Fort Ord, California, and the 24th Infantry Division out of Fort Stewart, Georgia. Interesting note – PTL Pellegrino and SGT Gigante trained together in a joint training exercise during their service!

**Officer Kevin Purifory (USMC/US Coast Guard)** – PTL Purifory served 24 years in the armed forces, beginning his career in 1989 with the US Marine Corps, where he served until 1992 as an Infantryman, holding the rank of Lance Corporal. While in the Marine Corps, he was stationed in New York, attached to the 2nd Battalion of the 25th Marine Infantry Regiment. After 4 years in the Marine Corps, he transitioned branches and continued his service in the US Coast Guard from 1992–2013, holding the rank of Senior Chief. PTL Purifory’s specialty was that of Electricians’ Mate. He served as the Coast Guard’s federal equal employment opportunity specialist at Governors Island, NY. He sailed the world, served in narcotics patrol in the Caribbean, Guantanamo Bay, Cuba, and provided disaster relief in Haiti and New Orleans after Hurricane Katrina. He received two Coast Guard Commendation Medals, the Humanitarian Service Medal and the National Defense Service Medal.

**Officer James Ricciardi (USMC)** – PTL Ricciardi served six years in the United States Marine Corps from 1989–1995, holding the rank of Lance Corporal as a mortarman. During his time in the USMC, PTL Ricciardi was deployed overseas in support of Operation Desert Storm in Riyadh into Iraq. PTL Ricciardi is a recipient of the Combat Action Ribbon. Interestingly, PTL Ricciardi and SGT Hughes served in the same unit when deployed to Operation Desert Storm in Iraq!

**Lieutenant Leo Sacco, III (USMC)** – LT Sacco served eight years in the United States Marine Corps from 1998–2006 as a Field Radio Operator, holding the rank of Corporal. While in the Marine Corps, LT Sacco was assigned to the 25th Marines Infantry Regiment, Headquarters Company. While in the Marines, LT Sacco participated in a joint training exercise in Norway and was activated after the attacks of 9/11. He was then assigned to the 2nd Marine Division in Camp Lejeune, South Carolina. LT Sacco is a recipient of the National Defense Service Medal.

**Officer Adam Spencer (US Army)** – PTL Spencer has served in the United States Army since 2012, attached to B Company, 1–182nd Infantry out of Fort Devens, MA, with the United States Army Reserve. He currently holds the rank of Sergeant. PTL Spencer has been activated with the Reserves for security in the wake of the 2013 Boston Marathon attacks, assisted in civil unrest operations, and has been a part of NATO missions in Germany.

**Officer Brooke Stanton Hurd (US Army)** – PTL Stanton Hurd served eight years in the United States Army from 2014–2022 as a Military Police Officer with the 972nd Military Police Company out of Reading, MA, holding the rank of Corporal. During her service, PTL Stanton Hurd conducted security as a squad leader for many events, including the July 4th Esplanade event and the Boston Marathon. She has also assisted in civil unrest operations here in Massachusetts. She has been a top graduate of the MAANG MPTC Police Academy and is a recipient of the Massachusetts Emergency Service Ribbon.

**Officer Ronald Tarentino (Ret.) (US Air Force)** – Ron Tarentino served in the United States Air Force from 1967–1971 as a fuel specialist, holding the rank of Staff Sergeant. Mr. Tarentino was stationed at Yokota Air Force Base in Japan for two years and at K.I. Sawyer Air Force Base in Michigan. Mr. Tarentino is a recipient of the Air Force Good Conduct Medal. Ron works for MPD as a civilian administrator.

# Community Engagement Unit (CEU)

The department's Community Engagement Unit (CEU) just completed its first full year active since its inception in 2021. In total, the CEU hosted or attended over 30 community events including hosting our first National Night Out in August that had over 1,200 attendees. The intention of the CEU is to foster relationships with the residents of Medford through community events and communication on our social media channels.

## Social Media

An integral part of the Community Engagement Unit is connecting with the community through our social media channels to relay important messages. In 2022, the Medford Police Department had nearly 9,000 followers on Twitter (@MedfordPolice), 3,112 followers on Instagram (@medfordmasspolice) and over 5,400 "likes" on Facebook (facebook.com/medfordmasspolice.com). We also utilize NextDoor, a neighborhood specific site that requires address verification, which has the ability to reach up to 12,000 residents with each post.

Top Photo: Traffic Sergeant Jordan Cannava fitting children for free helmets at National Night Out

Bottom Photo: Sergeant Barbara DeCristofaro and Officer Jessica Walsh with Trick-or-Treaters

We are always looking for innovative ways to connect with the community and get important messages out to as many residents as possible. This year, in order to garner more followers, we created business cards with a QR Code which links to all of our social media channels. We handed these cards out at several different community events including National Night Out, Trick-or-Treat and Clippership Day.

Social media provides a unique opportunity to further the transparency with the community. By interacting with our channels, residents have the opportunity to assist in identification of suspects, to find missing persons, and make them aware of incidents happening in real time.

In 2023, our department will be undergoing a complete overhaul of our website ([www.medfordpolice.com](http://www.medfordpolice.com)). If you have any helpful feedback of how our website can be improved, please email Officer Jessica Walsh at [jwalsh@medfordpolice.com](mailto:jwalsh@medfordpolice.com).

Please note: The department's social media channels and website should not be used by the public to report crimes as they are not monitored 24/7. We ask that you call 911 in the event of an emergency or our business line at 781-395-1212 to report non-emergent crimes and other police related issues.

# NATIONAL NIGHT OUT

On August 2, 2022, the department joined thousands of agencies across the country and hosted our first ever National Night Out at Hormel Stadium in Medford. Over 1,200 people enjoyed free food and ice cream, a giant homemade obstacle course, nearly 20 Touch-a-Truck vehicles and how can we forget dunking the chief in the dunk tank.

The night truly would not have been a success without our incredible sponsors: Winn Management, Wegmans, Medford Family Network, City Event Group Mikey V and Danny T, Silvestro's Barber Shop & Shaving Parlor, Bianco & Sons Italian Sausage, Boston Brew Company, Arthur's Bakery, Modern Pastry Shop, Superior Printing; or our amazing community partners and vendors: Medford Department of Public Works, Medford Recreation Department, Medford Fire Department, Mayor Breanna Lungo-Koehn, Tufts University Police Department, Medford Chamber of Commerce, Massachusetts State Police, Drug Enforcement Agency (DEA), United States Army, United States Marine Corp, Armstrong Ambulance Service, Cataldo Ambulance Service, Stephens Automotive Transport, Joseph's Limousine & Transportation, Boston Sparks Association, Somerville Auxiliary Fire, MVTSH Cosmetology Department, Medford Mustangs Football, Medford High School Cheerleading Team, Portal To Hope, Medford Animal Control, Brotherhood for the Fallen - Boston, Officer Ronald Tarentino, Jr. Charitable Fund, Moms Demand Action, Dave McGillivray Sports Enterprises, Run Medford, Dabbs Lock, Medford Board of Health, Medford Registrar of Voters, Medford Office of Diversity and Inclusion, Medford Kiwanis Club, Jody's School of Dance, Eliot Family Resource Center, Middlesex Sheriff's Office, ABCD Headstart, Doug Flutie, Jr. Foundation for Autism, Kiss 108 Street Team, Photography by Rachel Faggiano, Medford Police Chaplain Father Paul Coughlin, Wally the Green Monster and Beyond Podcast; and lastly, but definitely not least, all of our officers, dispatchers and personnel staff that worked so hard to make this night a memorable one. We can't wait to do it again next year - August 1, 2023 - Save the Date!

## ***No Shave November***

This was the 4th annual "No Shave November. Last year's campaign was extremely successful, raising \$5500.00. \$1500.00 went to Run to Home Base and \$4,000 went to Medford High School students for a Scholarship fund from The Medford Police Department. This year's campaign exceeded expectations and raised \$7,000, which \$4,000 will go to Medford High Students 2 of the scholarships will be given to a male and a female who excel in academics (picked by the high school) and two will be given to a male and a female who excel in athletics (also picked by the high school staff) amounting in a total of 4 \$1,000 scholarships. This means this year we will be able to double our donation to the Home base program to \$3,000. Home base is a program which helps veterans and their families with the invisible wounds such as post-traumatic stress disorder and traumatic brain injuries etc. all of these donations were made by all members of this police department civilian or officer. \$100 is donated by each member that would like to participate, all monies raised 100% goes to these charities and scholarship funds. All male members of the Department can grow a beard, sideburns, goatee, or mustache throughout the month of November. All female members can wear a fleece jacket with the appropriate Medford Police Patches attached to them.

## ***Holiday Toy Drive***

This year, for our annual Holiday Toy Drive we partnered with both Wegmans and DICK'S Sporting Goods. The community was able to drop off new, unwrapped toys for all ages at both locations, as well as the Medford Police Headquarters from December 7th-December 17th. On the final day, we held a "Stuff-A-Cruiser" event on the veranda outside both Wegmans and DICK'S. The toys went to a number of different organizations including Portal to Hope, Shiloh Baptist Church, Medford Family Network and several local families in need that called into our designated Holiday Toy Drive line.

## ***Trick-or-Treat***

On October 28, 2022, officers participated in the Medford Chamber of Commerce's annual Business Trick-or-Treat in Medford Square. The department created custom goodie bags and passed out over 1,200 pieces of candy to hundreds of children.

## ***Child Passenger Safety Unit (CPSU)***

In August, the department hosted a National Child Passenger Safety Technician Certification Training and our Child Passenger Safety Unit gained two new members—Officers Derek Doherty and Jason Montalbano. This class is funded by the Highway Safety Division of EOPSS. They join a number of officers who are already certified within the department. The CPS Unit's mission is to give instruction on the proper installation of child safety seats to ensure the safety of children while traveling in a motor vehicle. The CPS Unit conducts car seat checks/installations by appointment only at the rear of the police station. Typically, the appointments are one day a week and the day varies weekly based on technician availability. In 2022, the CPS Unit installed approximately 200 car seats. After each seat is installed, the parent/caretaker is provided with an informational sheet that contains websites to sign up for recall notices for both the car seat and their motor vehicle.

For further information or to make an appointment to have a car seat inspected or installed, call 781-219-3717 or contact Sergeant Angelo Raffaele via email at [ARaffaele@medfordpolice.com](mailto:ARaffaele@medfordpolice.com)

Creating and fostering partnerships with local business owners, organizations and religious groups is an important aspect of the Community Engagement Unit. Along with hosting events of our own, the CEU also partners with and participates in a number of different organization’s events throughout the year.

### ***Doug Flutie Jr. Foundation for Autism***

The Medford Police Department is committed to continue working with the Doug Flutie Jr. Foundation for Autism. The Medford Police Patrolmen’s Association continues its fundraising efforts with its patch program each year. In addition, officers from the Medford Police Department have participated in the Flutie Foundation’s annual law enforcement summit at Boston College. Officers from our Department have been invited as keynote speakers, informing other agencies of our department’s efforts with the Autism community and their personal experiences with Autism in their families and the community.

Lieutenant Charles Hartnett has worked with the Doug Flutie Foundation beginning in 2021. His interest in working with the organization grew out of his own personal experience, as his son was diagnosed with Autism in 2019. The cooperation between our two agencies has been a success, with the Flutie Foundation participating in the Medford Police Department’s National Night Out and providing informative seatbelt covers indicating that a child or person has autism. These seatbelt covers are a great way to indicate to law enforcement, coupled with their CIT training, how to more compassionately and positively interact with members of our ASD community.

### ***Tufts University / Tufts University Police Department***

After our National Night Out event, which Tufts University Police Department helped us plan, we were invited to participate in Tufts Community Day on October 2, 2023. Thousands of residents from Medford and Somerville, students and faculty joined together on the University Quad to enjoy food, music, arts and crafts and tables full of local resources. Tufts is an invaluable resource in our community and we look forward to working with them more collaboratively in the future.

## ***Medford Senior Center***

In May, we joined the Council on Aging at the Medford Senior Center to attend their “Spring Festival”. The Spring Festival provides older adults in Medford with valuable resources all in a single space. We handed out our “File of Life” magnet pouches. These files are kept on your refrigerator and contain important information in case of an emergency where someone may be incapacitated. These files contain name, date of birth, list of medications, doctor name and number and emergency contact info. This is vital information for first responders to have when they are responding to your home.

In December, we held our annual Medford Police Department Senior Holiday Lunch. This has been a beloved tradition for over three decades. This year’s lunch was catered by Dom’s Sausage Company and Hoff’s Bakery and served by the officers to seniors who are drawn from a lottery. The event is sponsored by the Medford Police Superior Officer’s Association and the Medford Police Relief Association. Attendees enjoyed music from the group the ‘MemoryLaners’ and a visit from Santa himself.

## ***Shiloh Baptist Church***

Since co-hosting our Faith and Blue event in 2021, we have formed a strong partnership with Pastor Bell and Shiloh Baptist Church of West Medford. In October, we held an informational session with the members where we shared important city resources and had valuable discussions about how we can collaborate with them in the future. In December, we partnered up once again during our Holiday Toy Drive to distribute toys to parishioners in need.

## ***Medford High School Football***

After helping us set up and break down for National Night Out, we held a pizza party with members of the Medford High School Football Team to show our thanks and speak to them about what its like being a police officer. We hope to continue events with school aged students in the future to connect with the younger population in fun and engaging settings.

*For upcoming CEU Events, key an eye on our social media pages and website where we advertise upcoming events. If you wish to collaborate on an event idea, please email [communityengagement@medfordpolice.com](mailto:communityengagement@medfordpolice.com).*

| <b>Total</b>                 | <b>65</b>   | <b>38</b>   | <b>51</b>   | <b>56</b>   |

Part B offenses require an arrest to be included in the report system. In the event that a party is issued a complaint, or a warrant is sought for the party, such as Violation of a Restraining order due to a party texting the plaintiff, it is still counted as an arrest even though the party was not taken into custody at the time. Additionally, if a Part A offense is counted and a Part B offense is included (Such as a domestic incident where the defendant texted the victim and then came over and assaulted the victim), only the Part A offense is counted and the Part B offense is not.

## NIBRS Part B JANUARY Analysis

This table and graph includes online reports. Online reports are considered any report sent in via email or webform and generate a single call for service. The online reporting system was activated during the Covid 19 Pandemic and allowed officers to take reports of minor larcenies, identity theft, and other non-emergency reports which did not warrant an immediate officer response. Some of these reports may include those reporting parties violating social distancing protocols.

If a case is assigned to a detective for follow up, the investigating officer will file a supplemental report depending on the nature of and result of the investigation. For more serious or complex investigative cases, the number of supplements on an original report can increase exponentially. The highest reported number of supplements for 2022 in an investigation is 14 supplemental reports.
